SINCE 2011 Moonie & Angela Bergeron and Bergeron's Boudin & Cajun Meats have presented the Annual Angling Against Autism Team Bass Tournament. The event has raised hundreds of thousands of dollars for children and adults diagnosed with autism and other types of disabilities, in and around the Baton Rouge and West Baton Rouge areas. Part of the proceeds pays for services and supports for persons with disabilities and their families through the Arthur J. Bergeron Scholarship Fund and the Lana Valley Estopinal Scholarship Fund.

Port City Disabilities Services is a non-profit organization based in West Baton Rouge Parish, providing services and supports to individuals with autism, Down syndrome, cerebral palsy and other similar conditions.

Port City currently serves individuals and families who live in East and West Baton Rouge, Iberville and Pointe Coupee Parishes.

Programs include in-home assistance, adult day hab, community inclusion, supported employment, school to community transition and respite services for children and their families.
